| <ul style="list-style-type: none"><li>Developed an ML-based legal case predictor using InLegalBERT, SVM &amp; Logistic Regression.</li><li>Built an AI legal chatbot using RAG on Indian High Court cases for context-aware legal assistance.</li><li>Implemented semantic legal search using NLP embeddings to retrieve similar case judgments.</li></ul>                                                                                                                                                                               |                            |
| <b>ASCEND APEX(Platform for Excellence) - Hackathon Winner</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | <b>JUN 2025 - SEP 2025</b> |
| <ul style="list-style-type: none"><li>Developed Ascend APEX, a student-centric platform bridging academics and career readiness with dynamic Skill Passports validated by faculty for credibility.</li><li>Integrated AI-driven market analysis to generate personalized Readiness Reports that identify skill gaps and recommend courses or projects for career clarity.</li><li>Implemented Ascend WellBeing Check to monitor student emotional trends and provide timely support via adaptive UI and advisor notifications.</li></ul> |                            |

## EDUCATION

|                                                             |                        |
|-------------------------------------------------------------|------------------------|
| <b>Bachelor of Engineering [Information Technology]</b>     | <b>AUG 2023 - 2027</b> |
| M.H. Saboo Siddik College of Engineering, Mumbai University | CGPA : 8.19/10         |

## ACHIEVEMENTS

### Certifications:

- AWS Academy Graduate** - Cloud Foundations , Microservices and CI/CD Pipeline Builder.
- Oracle Cloud Infrastructure 2025** - Certified AI Foundations Associate , Generative AI Professional , Oracle AI Vector Search Certified Professional , Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate , Oracle Cloud Infrastructure 2025 Certified Foundations Associate , Oracle APEX Cloud Developer Certified Professional.
- Courses** - The Fullstack Developer Path(Scrimba) , Red Hat Academy(RHA 124).

### Awards & Activities:

- Xcelerate 2025 Winner: A National level hackathon, Member of ACM Chapter of MHSSCE
